

M.A Students Report

Manish

I am doing Post-Graduation in Economics from the Central University of Himachal Pradesh. My aim is to excel in the field of Economics and want to be a researcher and focus on macroeconomic theories.

Nishtha and Me: -

I won't be able to pursue my education due to financial scarcity. The set of circumstances provided by Nishtha helped me a lot to achieve my academic career till now. My Graduation had been fully sponsored by the Nishtha. Now they are doing the same for my Post-Graduation. Not only they helped me financially, but they also connect me with culture and best part of sponsorship class is to learn English and Computer.

Along with this I had qualified the National Eligibility Test for Assistant Professor this year.

Lastly, it is my privilege to express my sincerest regards to Nishtha for their valuable inputs, able guidance, encouragement, wholehearted cooperation.

Suraj

I am doing Post-Graduation in English from Central University of Himachal Pradesh. I want to become a professor of English and Nishtha is helping me to achieve this goal.

Nishtha and Me:-

If Nishtha hasn't been sponsoring me I might be not able to study because of my financial condition. Along with the financial support Nishtha introduce me with other knowledge as well, like computer operating, folk dance and of course English. I am a student of English so such classes really helped me grow. It's been more than a year since Nishtha sponsored me and thanks them I am doing well now in my studies.

Academic Results: -

I have successfully passed my two semesters. The following table contains the details of my academic results after becoming a part of Nishtha:

I am really grateful to Nishtha that it provides me a chance to pursue my goal. Now I'll do my best to reach that goal.

Damini

I am pursuing my post graduation degree in Political science from the Regional center Mohli. My mother is single women, working in local clinic as a helper on a daily wages. She didn't have enough money for my further education after passed plus two class from the Government school. My Aim is to be a teacher and serve the society by giving valuable education. In 2017, I obtained sponsorship from the Nishtha to complete my Graduation degree and proceed towards my aim. I got first division with 69% in Graduation and the result encouraged me to study further. Last year I again applied in

Nishtha to complete my two year post graduation degree in Political science and now I have been sponsoring by them for my degree. I regularly attend the special Sunday classes arrange by the Nishtha for all the sponsorship students for our internal development. This year I learn more about the basic knowledge of computer language and programming, English spoken course with the help of specially designed program by Mrs. Puja Anand. I don't like dance program so much, although it's fun to sit with singing team. In the beginning of the session, we participated in Gender and wendlido training happened at Nishtha premises, which provide me personally a confidence and acquaintance with other member of group.

Shivati

I am doing my Post graduation degree in Political science from the Regional centre Mohli. I did my graduation in first division with 74 % from Himachal Pradesh University. I come from a very poor family, my father is an alcoholic person and doesn't support my mother for our livelihood and education. I fond of politics and administrative work since I have been studying political science in plus two standard and in Graduation. Nishtha had sponsored me for my Graduation degree. I wanted to do further study in the political science so I can enhance my knowledge in this field and build my career as a political science teacher or do administrative services in the country. Last year I again applied for the sponsorship in Nishtha for two year M.A degree and luckily I selected in the program. I completed my two semester and doing hard work for the coming semester. I always attend the Nishtha's Sunday program, where we all learn spoken English, Computer, Dance and participates in many other essential activities and training. I like the spoken English class, It encourage me a lot to speak out and give confidence. Instead of this Nishtha's waste management program also attract me a lot to do work for our environment. I do segregation at home and tell to my friend and neighbour to do this.
